Q. Please describe in detail, showing the actual calculations and excel spreadsheets, the adjustments that were made to the actual 2006 load levels for the 5 pulp and paper facilities shown in Table 2 on Page 7 of 9.

A. The adjustment was to set the load the five pulp and paper facilities to the levels shown in Table 2 on Page 7 of 9. The explanation is provided in Exhibit B-2 subsection F. on page 6 of 9. A diagram for each pulp and paper facility showing the distribution of load is shown in Attachment 1.

The attachment to this reponse is confidential and will be provided under the terms and conditions of First Revised Protective Order No. 1, Confidential Retail Customer and Market Participant Information, dated August 27, 2008 and First Revised Protective Order No. 2, Critical Energy Infrastructure Information, dated August 27, 2008.
