

**CENTRAL MAINE POWER COMPANY
RESPONSE TO COMPETITIVE ENERGY SERVICES' DATA REQUEST NO. 1
DOCKET No. 2008-255**

September 11, 2008

CES-01-10

- Q.** Please provide the excel spreadsheets and/or other electronic information and calculations that are referred to in subsection E on Page 6 of 9. Specifically, please provide:
1. A listing of the service centers/areas
 2. The growth rates that were supplied to the MPRP by CMP's load forecast experts.
- A.** CMP develops a sales and peak demand forecast for 11 service centers: Alfred, Augusta, Bridgton, Brunswick, Dover, Farmington, Lewiston, Portland, Rockland, Skowhegan and Waterville.

The requested Excel spreadsheet is attached.

Response Prepared and Submitted By:

John P. Davulis
Senior Project Manager
GDS Associates, Inc.

Attachment(s):

1. Spreadsheet used to prepare CMP's Fall 2006 Service Center Forecast
