

**CENTRAL MAINE POWER COMPANY
RESPONSE TO COMPETITIVE ENERGY SERVICES' DATA REQUEST NO. 4
DOCKET No. 2008-255**

March 20, 2009

CES-04-17

- Q.** Provide an estimate of the number of permanent full-time employees that will be added to the CMP payroll as a consequence of the construction of the MPRP, the dates when these employees will begin work, their job classification, and the estimated total payroll for these employees. Please do include existing CMP employees or other future hires not connected to the MPRP.
- A.** CMP does not expect to hire permanent full-time employees for the construction of MPRP. Projections of total jobs and wages and salaries (existing CMP and non-CMP combined) associated with each year of MPRP construction are included in the (Colgan) report provided with the Updated Testimony of Eric N. Stinneford and Paul A. Dumais dated March 9, 2009. See response to CES-03-01.
