KRUEGER-03-03

- Q.** Please disclose revenues collected by CMP for allowing the fiber optic line and gas line to be placed on the right of way between Orrington and Maxcy Station.
- A.** The corridor between Orrington and Maxcy's Substation is owned by Maine Electric Power Company (MEPCO), not CMP. MEPCO entered into confidentiality agreements with AT&T and Maritimes & Northeast Pipeline, LLC that preclude disclosing the financial terms among other items.

The attachments to this response are confidential and are being provided under the terms and conditions of Temporary Protective Order No. 7, Proprietary Business Information, dated November 21, 2008
