

**CENTRAL MAINE POWER COMPANY
RESPONSE TO ORAL DATA REQUEST NO. 1
DOCKET No. 2008-255**

November 7, 2008

ODR-01-48

Q. Please explain why map of N-1 alternative in Exhibit I-2 page 167 differs from N-1 description found in Exhibit H-2.

A. The written description of N-1 contingency, Route N1, found in Exhibit H-2, page 1 of 7 contains a typographical error and should be corrected by replacing "Maine Yankee" with "Gulf Island."

The same error was repeated in the N-1-1 description found at Exhibit H-2, page 4 of 7. The same correction should be made.
